Orthopaedic & Sports Medicine Specialists

## Congratulations to Our Top Docs!

The Methodist Center for Orthopaedic Surgery is a state of the art orthopaedic practice comprised of an elite team of orthopaedic and sports medicine specialists. The practice brings together physicians from various subspecialties, with offices in the Texas Medical Center, Greenway Plaza, West Houston, Willowbrook, Baytown and Pearland, providing convenient orthopaedic care close to home.

As Houston's leader in orthopaedic care and sports medicine, many of our doctors serve as team physicians and surgical consultants to the Houston Texans, Houston Astros, Houston Dynamo, local universities

and area high schools. They also serve as physicians for the Houston Ballet and Houston Symphony.

Methodist is proud that both peers and patients have recognized the dedicated members of one of its leading orthopaedic teams and chosen many of our physicians as Houston's Top Docs.
